Misc. Notes

Alice is the daughter of Susannah HILLYER, born prior to immigration to the U.S. and prior to Susannah's marriage to Dewitt CAMPBELL.

Her birth record shows Herbert HILLS as her father. Is this the same Herbert HILLS married to Susannah's sister, Sarah Anne.

It is interesting that Susannah's sister, Eliza Hillyer OWEN named her 5th child Herbert. Was she showing respect?

On the 1880 Franklinville, NY Census record, she was later adopted by her grandfather Charles Lashley HILLYER.

On the 1890 Franklinville, NY Census record, she was Dewitt CAMPBELL's step-daughter.
